Jan 2013 - Sep 2017

<https://www.dtensk.org>

We have implemented the Module for the website of Government Regional Office Nashik as a part of our diploma final year project.

E-shopping application for local vendors

Aug 2017 - Present

I am currently working on this Android project which can be used by the local vendors for selling the day-to-day needed merchandise as well also for the customers who wanted buy things without going to that actual place(part of college project)
